KNOW OUR PARENTS' HEART ... Hiểu Lòng Cha Mẹ

Our parents are very concerned about our health, our safety, our education, and our success. They work hard everyday to provide for our needs and prepare us for a good future. May God bless our Mom and our Dad with good health and wisdom to care for us. May God help us to honor our parents, love them, and give them a helping hand. May God help everyone in our family to have FAITH in God so we all will enjoy the best life today and forever and ever. **CôNa**

Mom Takes Me to the Park
by Eva Nguyen

From the morning MY MOM art by Lani Luu Into the night

My Mom takes me to school on time, fixes things around the house, buys groceries, does laundry and hangs clothes, uses cell phone to make doctor appointments and to learn English, waters the plants in the garden, takes care of my 2year old sister.

My Mom reads story books for Lani and baby Lina, works with us on art projects, mend our clothes and our doll's outfit, cooks for the family, mops and cleans the house

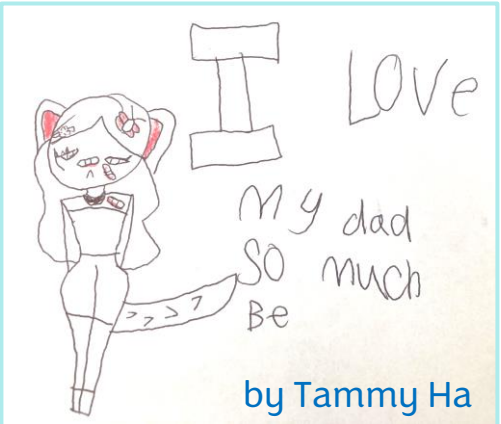

Ban ngày Mẹ canh giờ đưa đón Lani đi học, sửa sang lắp ráp đồ đạc trong nhà, đi chợ mua thực phẩm, giặt quần áo và phơi để tiết kiệm điện, dùng điện thoại làm hẹn bác sĩ cho hai chị em và học tiếng Anh, làm vườn tưới cây, và chăm sóc em Lina 2 tuổi.

Ban đêm Mẹ đọc sách truyện cho 2 chị em , cùng con luyện vẽ, vá quần áo bị bung chỉ hay rút nút hoặc may đồ cho búp bê, nấu ăn cho gia đình, lau chùi quét dọn nhà cửa
